

Gifts we

Ready to make a little holiday magic? Gifts for those on your list who don't really need or want anything but whom you want to treat can be some of the most fun. Following are simple, easy and affordable gifts that will delight your recipient and let them know you care.

Restaurant GCs

There's something a little extra about a certificate for a favorite eatery, or even groceries. We've all gotta eat, as they say, and doing so without paying is a treat!

Homemade coupons

Handwritten or printed with a fancy font, a little IOU for a date, house cleaning, lawn care or the like are wonderful. The best part? The memories made when the coupon is redeemed.

Blankets

We've talked a lot about blankets this month, and whatever style or size, handmade or store-bought, nothing says "here's to your comfort" like a blanket. And if your recipient happens to have more than they need, hopefully they'll pass one along to someone in need.

Our home accessibility solutions are the perfect gift to yourself and your loved ones. Let us help you make the season merry and bright!

Take 'n Make

Layer ingredients in a jar for a fun, pretty treat! Your recipient can mix it up, follow the directions on the gift tag, and soon enjoy brownies, cookies or hot cocoa. Get creative with containers, and dress them up with ribbons, ornaments or greenery. So fun!

Potted plant

Particularly a perennial that can be planted outside in spring. Year after year the blooms will bring the recipient smiling thoughts of you.

Baskets

Made from fabric, woven straw or other, the great thing about baskets is they do double-duty: they create a comfy aesthetic, and they help keep things tidy! Fun tip: fill the basket with paper leaving just enough room up top for goodies, sweets, an ornament, a decorative towel or pretty mug.

Purrfect Date Keeper

We can all use calendars, and the cat lovers in your life will enjoy the beautiful rescue felines featured each month in Cat Adoption Team's annual calendar.

Plate of Baked Goodies

The fresher the better! Whether you bake them yourself or buy them from a bakery, sweet holiday treats are a sure bet for bringing a smile to faces and tummies.

Simple visit for a hug

Sometimes called a "Hug n Fly," we can always squeeze in a few minutes to deliver a hug at the doorstep. Best quick little free feel-good there is!
